

## **Timecruiser Computing Corporation® Named as Finalist for Prestigious Education Award**

Timecruiser's CampusCruiser® Honored by SIIA as Finalist CODiE Award

**Fairfield, NJ – February 13, 2008** – [Timecruiser Computing Corporation®](#) today announced it has been selected as a 2008 SIIA CODiE Award finalist in the “Best Postsecondary Enterprise Solution” category. Timecruiser partners with higher education institutions, providing products and solutions that improve campus-wide communication, nurture communities, and increase eLearning efficiencies.

Since its inauguration in 1986, the CODiE Awards program has carried forward a single vision - to showcase the software and information industry's finest products and services and to honor excellence for corporate achievement and philanthropic efforts.

The 2008 finalists were selected from a pool of over 1,000 submissions through a combination of journalist and peer review. The judges, consisting of trade press, consultants, educators, IT specialists and other knowledgeable, but neutral, experts recognized 340 finalists in 68 different categories.

“Competition is tough this year and that makes selection as a CODiE Finalist a real achievement,” said Ken Wash, SIIA president. “All the companies on this year’s list should feel justifiably proud of their recognition.”

“We are delighted that [CampusCruiser®](#) with the [CourseCruiser™](#) module has been selected as a CODiE finalist and we are honored to be in the company of those recognized for the most prestigious award the software industry has to offer,” said [Allen Wang](#), President & CEO, Timecruiser Computing Corporation. “I am enormously proud of the passion, dedication and hard work that everyone at Timecruiser has contributed to create such valuable solutions for the nation’s postsecondary institutions.”

The 2008 CODiE Award Winners will be announced by SIIA members at a gala event on May 20 in the Palace Hotel, San Francisco, California.
